

## Accessing the Discussion Board

Follow these steps to access a course discussion forum:

1. Click **Discussion Board** in the course menu.

[Discussion Board](#)

**Note:** If the Discussion Board link does not appear in the course menu, follow steps 2-3. Otherwise, skip to step 4.

2. Click **Communication** in the course menu or the **Tools** box.

[Communication](#)

**Tools**

-  Communication
-  Course Tools
-  Course Map

3. Click **Discussion Board**.

[Discussion Board](#)

4. Click the name of the forum you want to read.

[Forum](#)

[Math Forum](#)

[Statistics Forum](#)

The forum and all its threads appear. From this page, you may create new threads or read and reply to existing posts.
