

## Viewing Course Grades

Follow the steps below to view your Blackboard grades:

1. Under **My Bb – My Courses**, click the link for the course in which you would like to see your grades.
2. Click the **Course Tools** link on the course menu. (Or click the **View Grades** link if available.)

3. Click the **My Grades** link.

4. Your grades will be shown in the View Grades table.

**Item Name** - Name of the item being graded.

**Grade** - Your result for this item.

**Points Possible** - What this item is out of.

**Class Average** - The average result for the class.

**Weight** - The percentage of your final grade that this entry is worth.

Note: Official course grades are stored in the Student Center at the end of the semester.
